STATE NEWSGOOD ROADS MOVEMENT
SWEEPING THE STATE

Salt Lake, Jan. 18.—Sanpete county is greatly interested in the good roads movement, which is sweeping the state, and will take an active part in the good roads convention, which will be held at the armory in Salt Lake Wednesday, Thursday and Friday of next week.

A letter received this morning from C. R. Allred, chairman of the Sanpete county commissioners' board, by J. E. Jennings, secretary of the Good Roads association, states that in Sanpete last summer \$5,000 was spent for cement culverts and the grading of roads. Next summer the intention is to spend the same or more dragging and grading the roads.

"Sanpete is much interested," said

SCRATCHED SO SHE
COULD NOT SLEEP

Child of Two had Masses of Eczema Over Face, Head and Body—They Took Her to the Best Doctors and Tried Salves and Medicines in Vain—Suffered for Five Years.

SOON RELIEVED AND
CURED BY CUTICURA

"I write to tell you how thankful I am for the wonderful Cuticura Remedies. My little niece had eczema for five years and when her mother died I took care of the child. It was all over her face and body, also on her head. She scratched so that she could not sleep at night. I used Cuticura Soap to wash her with and then applied Cuticura Ointment. I did not use quite half the Cuticura Soap and Ointment, together with Cuticura Resolvent, when you could use a change and they cured her nicely. Now she is eleven years old and has never been bothered with eczema since. My friends think it is the best cure the baby was cured by Cuticura."

Protests against the calling of a special election in Cedar valley for the purpose of creating a fence district were presented by E. E. Corfman for the Cedar Valley Development company, and a numerous signed petition against a fence district by James Madsen. The objectors are owners of dry land farms, and require them to fence the lands would work a great hardship on them, so they represent. The stockmen of Cedar Valley, of course, want the fence law, because it will make it easier for them to prevent their stock from trespassing. The matter was taken under advisement.

Protests against the calling of a special election in Cedar valley for the purpose of creating a fence district were presented by E. E. Corfman for the Cedar Valley Development company, and a numerous signed petition against a fence district by James Madsen. The objectors are owners of dry land farms, and require them to fence the lands would work a great hardship on them, so they represent. The stockmen of Cedar Valley, of course, want the fence law, because it will make it easier for them to prevent their stock from trespassing. The matter was taken under advisement.
